

Fiberlicious Schedule

August 9 - Saturday

	10:00	11:00	noon	1:00	2:00	3:00	4:00
Spinning		Drop Spindle: New or Renewed Skills	Lunch	Start Spinning on a Wheel		Spinning Flax - Basics	
String Things	T-Shirt Cordage		Lunch	Engendering Creativity in Embroidery: Threads			
Dyeing 1			Lunch	Ice Dyeing		Itajime Shibori with Indigo	
Dyeing 2	Natural Dyeing (drop in, all day, no instruction)						

Fiberlicious Schedule

August 10 - Sunday

	10:00	11:00	noon	1:00	2:00	3:00	4:00
Spinning			Lunch	Cable Plying for Spinners			
String Things	Crazy Quilting		Lunch	Engendering Creativity in Embroidery: Randomness		Tunisian Crochet	
Other	Beaded Kumihimo Bracelets		Lunch			Easy Polymer Clay Buttons	
Dyeing 1	Does it Dye?		Lunch	Naturally Dyed Rainbow			
				Historical Textile Demos - Spinning, Weaving, Braiding, and More!			

Class Name	Day/Time	Class Description	Cost	Teacher	Materials Provided	Students Should Bring	Duration	Ages	Max Students	Min Students
Cable Plying for Spinners	Sunday afternoon	<p>Cable plying is an easy way to make beautiful and unusual yarns. The basic method is to make two 2-ply yarns and then ply them with each other to make a strong, balanced 4-ply yarn. Add a bit of contrasting color and/or thickness and you've got a designer yarn!</p> <p>Each student will make one or two sample skeins in class.</p> <p>You will need to have a spinning wheel or drop spindle, and be able to spin a single.</p>	\$5.00	Anne Schwarz	<p>A few colors of roving and/or top to spin your samples</p> <p>3 lazy kates (loaners for class use)</p> <p>Materials for makeshift lazy kates if needed</p> <p>Ball winder</p>	<p>Spinning wheel or drop spindle</p> <p>4 bobbins or things to wind your singles onto and ply from (toilet paper rolls work fine)</p> <p>Lazy kate if you have one - I have a few loaners if needed</p>	1.5 hours	Requires spinning skill but young spinners welcome!	8	2
Crazy Quilting	Sunday morning	Make a crazy quilt square to embroider! No prior experience needed!	\$2.00	Lauri Mraz	I will provide fabric, needles & embroidery thread	Scissors	About 2 hours	10 & up	8	2
Does it Dye? Natural Dye Experiments	Sunday morning/all day	Does it dye? Let's find out. Bring fabric scraps, small yarn skeins, and let's explore some more rare dyestuffs. This is a drop it in the pot and check back later situation.		Theresa	dyes, mordants, yarn & fabric samples	Scoured yarn or fabric (no larger than 20x20)	3 hour (you can come & go)			
Drop Spindle: New or Renewed Skills	Saturday morning	Have you watched spinners from a distance and thought, "One of these days, I will learn that!" Or have you had some spinning experience and wanted to improve? Are you comfortable at a spinning wheel and never did get the hang of a drop spindle? Ready to try again? Everyone is welcome: All experience levels [Secret Bonus level: For those who already spin but want to try Spin-and-Ply-on-the-Fly -- ability to spin on a drop spindle needed]	\$0.00	Roberta Brubaker	Drop spindles and fiber	Drop spindles if you have them, fiber if you have some	Up to an hour	All ages welcome	10	1
Easy Polymer Clay Buttons	Sunday afternoon	Learn to make your own buttons out of polymer clay to match all of your creations. No previous polymer clay experience needed. All skill levels.	\$2.00	Becky Acosta	<p>Instructor will provide polymer clay, a few pasta machines, a selection of tools including rollers, texturing tools, clay blades, cutters, some glitters, mica powders, and paints for extra decoration. There will be an oven on site for curing your creations (baking time =30 minutes + cooling time).</p>	<p>If you have your own pasta machine and/or clay tools, bring those. If you are not planning to cure your pieces on site, then bring a container in which to take your uncured pieces home (instructions will be provided on curing at home in your own oven).</p>	2 hours (max)	10		
Engendering Creativity in Embroidery – Randomness	Sunday afternoon	This class is about unlocking your creative potential. No judgement just fun! There is no pattern – you just follow the instructions and stitches drawn at random. Bring a 5"-6" embroidery hoop, a piece of fabric (like a nice cotton blouse weight up to light denim) that will fit in the hoop with 1+" overhang. 12 embroidery needles threaded with different colors and different threads of different lengths – minimum 8" – maximum 20". Scissors to cut thread. There will be instruction on how to do the stitches.	\$0.00	Robin Berry		0 see description	1.5 - 2 hrs.	not really - 14 +	12	5
Engendering Creativity in Embroidery – Using threads in different ways	Saturday afternoon	this class is about fun and learning! You will be given a pattern or patterns – floral, bug, and/or plant (stick, leaf, etc.). Bring a 5"-6" embroidery hoop, a piece of fabric (like a nice cotton blouse weight up to light denim) that will fit in the hoop with 1+" overhang. 12 embroidery needles threaded with different colors and different threads of different lengths – minimum 8" – maximum 20". Bring the skeins as well as you might want more of 1 thread or other. Scissors to cut thread.	\$5.00	Robin Berry	pre-printed patterns for designs, some threads	Bring a 6" embroidery hoop, a piece of fabric (like a nice cotton blouse weight up to light denim) that will fit in the hoop with 1+" overhang. 12 embroidery needles threaded with different colors and different threads of different lengths – minimum 8" – maximum 20". Bring the skeins as well as you might want more of 1 thread or other. Scissors to cut thread.	1.5 - 2 hr.	not really - 14+	12	5
Flax Basics	Sunday morning	Basic prep, handling and spinning of flax on a spinning wheel!	Free!	Jen Foti	Fiber and tools to use	Working spinning wheel, empty bobbin, bath towel	:45-1:00	Wheel spinners, adult	No max,	1
Ice Dyeing	Saturday morning	Learn the ins and outs of getting vibrant colors with dyes formulated to react to temperature.	\$10.00	Cynthia Konow-Brownell	Ice dyes, various media for tying and wrapping, related chemicals like soda ash solution, markers, ice, gutters and clips for gravity feeds	A prewashed cotton shirt or bandana/scarf, a colander that can be dedicated to dyeing (Dollar Store is a great resource), a disposable roasting pan to take it home in, and a plastic bag to go around the roasting pan.	2 hours	Yes but with adult supervision for children under 12 years old	10	1

Class Name	Day/Time	Class Description	Cost	Teacher	Materials Provided	Students Should Bring	Duration	Ages	Max Students	Min Students
Itajime Shibori with Indigo	Saturday afternoon	Class Description: Learn basic folding techniques and use shaped forms to create repeating resist patterns on fabric, dyed with indigo. Two 22" square pieces of fabric provided, students are welcome to bring additional CLEAN, 100% cotton items to dye if there is time. You'll also learn how to create a pre-reduced indigo (indigo crystal) dye pot.		Theresa	everything	nothing	2 hours			
Natural Dyeing	Saturday, all day (drop in)	Mordants and Dyes provided - byo SCOURED yarn or fabric - NO LARGE GARMENTS unless they're resist tied or clamped. I'll have some fabrics and yarns available for use. This is a drop it in the pot and check back later situation.		Theresa	dyes, mordants, yarn & fabric samples	Scoured yarn or fabric (no larger than 20x20)	All day (come & go)			
Naturally Dyed Rainbow	Sunday afternoon (1 hr instruction, 2 hr drop in)	Learn the basics of mordanting and using natural dyes while you dye and overdy with natural dyes to create your own rainbows of yarn skeins, handkerchiefs, or what have you. No garments!		Theresa	Dyes, mordants, handout	Scoured yarn or fabric (no larger than 20x20); at least 6 will give you a rainbow but more colors are possible.	1 hour instruction, 2 hour come & go			
Start Spinning on a Wheel	Saturday afternoon	This is a beginner class on how to spin on a spinning wheel. It's appropriate for brand new or beginner spinners, or those who spin on spindles but want to learn to use a wheel. The class will cover the basics of how spinning wheels work, drafting fiber, adding twist to make a singles yarn and setting up your wheel for the yarn you want. Time permitting, we'll also cover making a 2-ply yarn from your singles. No prerequisites.	No fee	Roberta Brubaker	I will provide fiber.	Bring your spinning wheel if you have one. Some extra wheels will be available. Also useful but not required, a lazy kate and a niddy noddly.	2 hours	Age 10 and up	6	1
T-Shirt Cordage	Saturday morning	Repurpose an old tshirt into cordage! Use for funky necklace, ties or....	Free	Jen Foti	Some t-shirts will be available	Tshirt, SHARP scissors	:30-1:00 depending	13 and up	No max	1
Tunisian Crochet	Sunday afternoon	Tunisian Crochet Workshop Learn the ancient art of Tunisian crochet, using an extra long hook! Knitters and crocheters alike love to learn Tunisian. Beginners and those who have taken the class before and need a refresher are all welcome! Jennifer Tan will teach the techniques of chain, Tunisian simple stitch, and Tunisian knit stitch. Bring a ball of worsted weight, single-color (not dark) yarn. Hooks will be provided for the class and available for optional purchase.	\$0.00	Jennifer Tan	Tunisian Hooks	Ball of single color (not dark), worsted weight yarn	1.5	Yes - with an adult	10	1
Make a Beaded Kumihimo Bracelet or Anklet	Sunday Morning	Make a beaded bracelet or anklet, started in class and finished later. In the process learn Japanese kumihimo braiding (great for jewelry cords), and how to beads to your kumihimo cord? No experience at anything is necessary. You'll learn how to make a flat braid, and how to add beads to it as you braid.	\$4.00	Debbie Coyle	Everything	Nothing
